

15 December 2008

Dear Fellow Sailors from Carlyle Yacht Club,

Thank you for your kind donation of \$385 to the Carlyle Youth Sailing School. Our mission is to promote junior sailing, and thus the future sailors, on Carlyle Lake via the creation of training facilities and assisting individual junior's attendance at major events. 100% of your donation will go to this purpose. Currently, our facilities are located at Carlyle Sailing Association, and the junior sailors of your organization are invited to participate in these activities.

Once again, thank you for your contribution to the future of sailing.

Sincerely yours,
Ted Beier
Treasurer, CYSS
