Welcoming Party - May 8

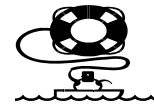

Not part of Cruising Fleet responsibility but we can help. It involves hamburgers, hotdogs, chips, slaw, soda, beer, etc. from Sam's and a chance to get more members into Club. Carol and Hank Fuller will lead this. Terry Safford will do the grilling.

Dock Crawl (Tapas Party) – Saturday, June 5

Start the season off by getting to know your neighbors at our 5th Dock Crawl. We will move from dock to dock, sampling tapas "lids". A tapas crawl is a feast of many small meals. Everyone participating should prepare tapas to share. CYC members that do not have a slip at West Access can participate by bringing their tapas to the galley. More details will follow. Ron and Vickie Freker will head this up.

Seamanship Skills (Safety Kits – flares) – Saturday, June 12

You may have your boat inspected by the Coast Guard Auxiliary and later attend a seminar on the proper use of safety equipment, such as flares. More details to follow.

Summer Sailstice Cruise to Cove 4 & OTW Party – Saturday, June 19

Summer Sailstice, named in 2004 by Sailing Magazine as one of sailing's "top 10 events", is a global holiday celebrating sailing annually on the summer solstice, the longest sailing day of the year. Now in its 8th year, the event has united thousands of cruisers and racers in celebration of wind, water & sail. The Cruising Fleet is celebrating the Sailstice by cruising to Cove 4, followed by an on the

water OTW party. Bring your own swim gear, food, drink & a fun attitude. We will let everyone know the “anchor boat” prior to the event. Brian and Merilee will provide the core boat.

Fireworks Raft Up, Cove 1 – Saturday, July 3

Come out and swim, grill, party and just have fun with your CYC buddies. Reserve the best spot on the lake for viewing the annual Carlyle Fireworks display too! Get in the party mood by decorating your boat in red, white & blue. Prizes will be awarded to the most festive boat. We will meet up at the Galley at 3pm and then head out to Cove 1. If you miss that, just raft up at any time with the group and introduce yourselves. Look for Bob and Cheryl’s “anchor boat” Voila’. We will also have a Drink (not Drinking) Contest. Prizes given to the Best Tasting Drink & the Best Named Drink.

Judd’s Famous Steak Dinner – Saturday, July 17

Not part of cruising fleet calendar

Astronomy Night (after Judd’s Famous Steak Dinner) – Saturday, July 17

What a great event for the kids! Enjoy dinner and good friends at the Judd’s Famous Steak Dinner that day; then view the wonders of the night sky with a member of the St. Louis Astronomy Club. Bring your celestial curiosity, a pair of binoculars or your telescope if you have one. The night should be a good one for stargazing. Dorothy Rice will head up this event.

CYC Cruise to TYC Party – Saturday, Aug 7

CYC folks will be cruising to TYC and visiting them this year. This is our seventh year of sponsoring this event! Every other year TYC cruises to WAM and we hold a party. This year is our turn to cruise to Tradewinds for their wonderful party. There will be drinks, music, games & bon fire provided. The grills will be set up and ready. Bring your own meat and a dish to share. As always, don’t forget your party hat! Information will be updated soon. Dorothy Rice will head this up on the TYC end and Cheryl Reany will head this event up at the CYC end. If you are sailing your boat up to TYC, let Cheryl know as there will be a limited number of transient slips for this event.

4th Annual Poker Run and Movie Night – Saturday, August 28

Poker Run

Win \$ and prizes at our Annual Poker Run event! Draw a card for signing up and receive one for returning. Earn the rest of your hand by sailing to three spots on the lake and locating the Poker Run's clever symbols. Return to the galley to claim your winnings. The top 3 hands receive \$ and prizes. There is even an after-event party back at the galley. This is not a race, but there is a time limit for those really "laid back" types. You will have to register with Brian by e-mail @ flyorsail@charter.net or at the West Access clubhouse the morning of the event to participate. Details to follow. Brian & Merilee will head up the Poker Run.

Movie Night (After the Poker Run) – Augusta 28

Mid-season should promise to be a great time to kick back and enjoy a great potluck dinner with your friends. Afterward, grab the pillows and blankets and make sure to scout out a choice area to relax to the movie. Should be a great family / friends event! Watch for more information.

BYC Hog Roast – Saturday, September 4

Transient slips will be available for CYC/TYC boats. Watch for more information.

CYC Cruise to Boulder – Saturday, October 2

Join us for a beautiful cruise to Boulder Marina. During the Fall, the wind should be lively and the warm colors of the passing tree-lined shores breathtaking. Enjoy the colorful spinnakers of the sailboats entered in the Boulder's Cup race. This could possibly be the best sailing weather of the season. Arrive at Boulder Marina just in time to enjoy the BYC sponsored Chili Dinner. Information on transient slips and chili dinner prices will be distributed later.
