

Cruising Fleet Event

Poker Run – September 24th

This is the CYC Cruising committee's premier "on the water event".

You get to have fun, test your navigation skills, and maybe win some cool prizes or a share of the poker pot. "Draw" one card for signing up and another for coming back. Earn the rest of your hand by sailing to 3 designated spots on the lake. The 3 best hands win! Gather back at the galley to hear the winners announced and enjoy wine tasting with your fellow sailors.

This is not a race. But there is a time limit for those really "laid back" types. An extra card is awarded to those that sail to all 3 spots.

All this fun for a modest \$10 entry fee.

E-mail FlyorSail@charter.net for signups.
